Re: *Hoskin v. Milwaukee*, 13-CV-920-JPS, *Caine v. Milwaukee*, 14-CV-1548-JPS

Dear Judge Stadtmueller,

Both of these referenced cases are in the process of being settled. As part of the settlement agreement certain debts owed by the Plaintiffs are being paid out of the settlement proceeds and the proof of payments submitted to the Defendant City of Milwaukee. This process has not yet been fully completed, and the parties do not want to file a stipulation of dismissal until this has been achieved.

All parties request therefore that the case be administratively closed at this time, with the understanding that a joint motion for dismissal with prejudice will be submitted when the settlement has been completed.

Yours Truly,

s/ John L. Stainthorp
